Step 2: Tell Us About Your Family

What do you need to include on this application?
Tell us about all the family members who live with you. If you file taxes, we need to know about everyone on your tax return. (You don't need to file taxes to get health coverage).

For adults who need coverage.
Include these people even if they aren't applying for health coverage themselves:

- Any spouse
- Any children under age 21, including stepchildren, who live with you
- Any other person on the same federal income tax return, (including any children over age 21 that are claimed on a parent's tax return)

For children under age 21 who need coverage.
Include these people even if they aren't applying for health coverage themselves:

- Any parent (or stepparent) they live with
- Any sibling they live with
- Any spouse they live with
- Any son or daughter they live with, including stepchildren
- Any other person on the same federal income tax return

The amount of assistance or type of program you qualify for depends on the number of people in your family and their incomes. This information helps us make sure everyone gets the best coverage they can.

Complete Step 2 for each person in your family. Start with yourself, then add other adults and children. If you have more than 4 people in your family, you'll need to make a copy of the pages and attach them. You don't need to provide immigration status or a Social Security Number (SSN) for family members who don't need health coverage. We'll keep all the information you provide private and secure as required by law. We'll use personal information only to check if you're eligible for health coverage.

Step 2: Person 1 (Start with yourself)

Complete Step 2 for yourself, your spouse/partner and children who live with you and/or anyone on your same federal income tax return if you file one. See page 1 for more information about who to include. If you don't file a tax return, remember to still add family members who live with you.

1. First Name, Middle Name, Last Name and Suffix		2. Relationship to You **Self**
3. Date of Birth	4. Sex ☐ Male ☐ Female	5. Social Security Number

We use SSNs to check income and other information to see who's eligible for help with health coverage costs. If someone wants help getting a SSN, call 1-800-772-1213 or visit **ssa.gov**. TTY users should call TTY 711.
